## Standard or Gooseneck Spout

All units fully assembled and individually bench tested in

y. Select the mount, inlets, the spout, and other options.

### Dual or Single Temperature

### Other Options

Australia, and include a unique, traceable serial number.

# The Stainless Steel Advantage

## ZERO LEAD CONTAMINATION

Water quality not compromised.

## NO GRIME BUILD-UP

Waterways remain clean and the quality and taste of the water is not distorted.

## SMOOTH FINISH

Stainless steel provides an easy to clean surface and prevents the build-up of bacteria.

## HIGHLY DURABLE

Strong material reducing the occurrence of dents and bends.

## SMALL FOOTPRINT

Stainless steel is 100% recyclable.

## Premium Quality

To ensure 3monkeeZ® tapware withstands the rigors of any commercial application, our Guardian Tapware® and Clean-A-Jet® range of products are manufactured from 100% stainless steel (S/S).

The clean, attractive appearance and premium qualities of stainless steel protect your health and the environment, making it ideally suited to modern fit-outs to provide a lifetime of satisfaction.
