MISSION STATEMENT

Put people first. Build a great product.
Reinvent industry expectations.

At 3monkeez, we understand that building a great quality and reliable product is only part of the story.

We provide an experience for our customers that exceeds expectations and makes us a trusted supplier of commercial plumbing and catering products across Australia. By putting people first our highly trained team can not only provide the right product and support, they also work closely with our customers to build long-lasting and rewarding relationships.

Through our commitment to manufacturing exceptional products and offering an unmatched experience for our customers we always strive to exceed and reinvent customer expectations when it comes to dealing with 3monkeez.

Premium Quality

3monkeez are the specialists when it comes to in-sink basket arrestors, floor wastes and pre-rinse screening for trade waste applications in commercial kitchens, hotels, hospitals, laboratories, and anywhere where protection of your drainage system from trade waste by-products is a priority.

As the home of the original, approved and trademarked Scraptrap range, 3monkeez can offer the best solution for trade waste screening and can ensure your establishment complies with all the standards and plumbing code requirements.

Our Scraptrap range of products have been developed and tested in Australia and offer durability, simple and effective design and the support of a business that has been delivering trade waste solutions to the plumbing industry for well over 10 years.

If quality trade waste pre-screening is a priority, 3monkeez have it covered with our original and approved Scraptrap range of in sink basket arrestors and floor wastes.

SMOOTH FINISH

Stainless steel provides an easy to clean surface and prevents the build-up of bacteria.

HIGHLY DURABLE

Strong material reducing the occurrence of dents and bends.

SMALL FOOTPRINT

Stainless steel is 100% recyclable.

WATERMARK APPROVAL

Watermark Approval Number:
23097
