

3monkeez® Mission Statement

Put people first. Build a great product. Reinvent industry expectations.

At 3monkeez, we understand that building a great quality and reliable product is only part of the story.

We provide an experience for our customers that exceeds expectations and makes us a trusted supplier of commercial plumbing and catering products across Australia. By putting people first our highly trained team can not only provide the right product and support, they also work closely with our customers to build long-lasting and rewarding relationships.

Through our commitment to manufacturing exceptional products and offering an unmatched experience for our customers we always strive to exceed and reinvent customer expectations when it comes to dealing with 3monkeez.

GUARDIAN° TAPWARE

People are at the centre of everything we do. We provide industry leading customer service with a highly trained team of professionals available across Australia.

As a supplier of commercial stainless steel products for over 30 years the quality of our products matter to us. Our products will always provide creative and reliable solutions.

We are committed to providing innovative solutions that exceed customer expectations through our customer service, products, resources and unbeatable delivery times.

Zero Touch Range

3monkeez® new Sensor Range adds a hygienic finishing touch to every project. Leave behind germs, bacteria and viruses with tapware that use handsfree technology and infrared sensors to provide a reliable, contact-free solution. With sensor-operated Compact Bubblers, Bottle Fillers, and Bib and Pillar Taps, and flexible wall or bench mounted installation options, there is bound to be a hygienic hands-free option to suit your next project.

Constructed from 100% stainless steel these products also carry the Guardian Tapware® by 3monkeez® guarantee, offering not only attractive designs, but the strength, reliability and impressive water quality protection that can only be assured by stainless steel construction.
